Subject: Summer Field Trip Permission Slip

In regards to our field trips this summer, we have created one field trip permission slip to encompass all of the summer outings. Included is a list of the planned trips for the downstairs class along with some information about location, and if you need to pack a lunch for your child. All of the fees for the trips are included in your tuition, but there are some days that you will need to pack a lunch and a drink. By signing the form at the bottom of the page, you are giving your child permission to attend each of the scheduled trips (based on your child's schedule of attendance i.e. if your child is scheduled to attend school on M-W-F they are eligible to attend any field trip falling on a M-W-F) and promise you will not hold Oakwood Baptist Day School or any of its staff or volunteers responsible for any mishap that may occur. Please initial each field trip your child will be attending and sign the bottom of this form. Some of the trips require us to order tickets ahead of time, **so please only sign for the trips your child will be able to attend. If you are going to be on vacation, please do not sign up for trips that will occur when you are away.** Return one copy to the school as soon as possible, and keep the other copy. If you have additional questions please see me in the office. Thank you.
