717-737-7308 school

As we are taking down all of the name tags and packing up all of the books, I am feeling a little sad. Your children have been such a blessing. I will certainly miss each one of them. It has been a super year!

During our last week of school, we will continue packing up the student's things that need to go home. I still need to send home workbooks and summer activity papers, so CLEAN OUT THOSE BACKPACKS! 😊

As noted at the side of the paper, we will have special activities next week. We will also do crafts, play games, sing songs, read stories, and say goodbye to kindergarten. 😞

Some ways that you can help your child over the summer are:

- Practice self-help skills (shoe tying, address, phone number, getting dressed, carry a lunch tray, packing a bag, following 2 and 3 step directions)
- Read books, visit the library, join a library summer reading program
- Practice math and reading skills with the workbooks and worksheets sent home
- YouTube Learning Channels – Jack Hartman, Scratch Garden, Harry Kindergarten, Have Fun Teaching, KidTimeStoryTime, Dolly Parton's Imagination Library, Story Shark, Homeschool Pop, Sharefaith Kids, Hope Kids ( Gracelink)
- Sensory Activities! Play outside, go to the park, go hiking, ride a bike/scooter, go swimming/water play, make slime, playdough, sand play, build with blocks, paint, grow plants/flowers

Have a wonderful summer! Mrs. Kimmel
